

In re Patent Application of:

**WU**

Serial No. **10/597,118**

Filed: **17/12/2006**

**REMARKS**

Claims 1 to 16 are pending in this application. The claims have been objected to for including reference numerals, which are not in parenthesis. Claims 4 and 11 have been rejected under 35 U.S.C. § 112, first paragraph, as failing to comply with the enablement requirement. Claim 13 has been rejected under 35 U.S.C. § 112, second paragraph, as being indefinite. Claims 1 to 3, 5 to 10, 12, and 14 to 16 have been allowed.

The claims of the application have been amended to overcome the objections of the Examiner and to better define the invention. In particular, the dependency of claim 13 has been changed from claim 1 to claim 12, in which the term "protruding lip" is introduced. The reference numerals have been deleted from the claims. Phrases, such as "is equipped with" and "is provided" have been replaced by more appropriate terminology, such as "comprising" or "including".

Paragraph 19 of the description has been amended to include support for claims 4 and 13, as well as provide a description corresponding to reference numerals 32 and 33. Support for the amendment is found in original claims 4 and 11.

Should any minor informalities need to be addressed, the Examiner is respectfully requested to contact the undersigned attorney at the telephone number listed below.
